The Respected Members,

Justice (Retd.) R. M Lodha Committee

(In the matter of PACL Ltd and connected matters)

The Ashok Arena Building (Oudh Coridor)

50-B, Chanakyapuri, New Delhi-110 021

Sub:- Your Public Notice dated 27th August, 2016

Respected Member's,

We have recently come to know that Securities and Exchange Board of India has published a notice dated 27th August, 2016 for inviting expression of interest of sale under the guidance of Hon'ble Justice (Retd.) Mr. R. M. Lodha Committee in the matter of PACL Ltd. and others and connected matters for auction of certain properties allegedly belonging to PACL Ltd. which are situated at various locations including certain properties belonging to our company.

We would like to bring your notice those certain properties which are put up for auction exclusively belongs to our company. We had purchased the properties which are more particularly enclosed in Annexure I hereto (hereinafter referred to as the "said properties") from our own funds and income for the purpose of expansion of our company business. Please find enclosed herewith the copies of the agreements at Annexure "II" hereto evidencing the right, title and interest of our company with regard to the said properties. We are the sole and absolute owner and in peaceful possession of the said properties.

CONCEPT INFRAESTATE PRIVATE LIMITED

That at the outset in and around October, 2013 we got an opportunity to expand our business and entered into joint development of properties with PACL Ltd. for the properties belonging to our company as well as some properties owned by PACL Ltd.

Accordingly, we offered our properties to be developed by PACL Ltd. including but not limited to investment of funds for development for those properties. Looking at the prospective business opportunity and scarcity of own funds to develop the said properties, we decided to enter into an agreement with PACL Ltd. with certain pre-conditions to be fulfilled by both the parties and finally executed Definitive Agreement for Settlement dated 2nd October, 2013. Please find enclosed herewith the copy of the said Definitive Agreement at Annexure "III" hereto. Infact a perusal of the said agreement would show that it is not even PACL Ltd. case that the said properties in question belongs to them. In terms of the said agreement we submitted the original documents of the said properties in the joint custody at Office Premises No 402, Cresnet Royale, Off New Link Road, Andheri (West), Mumbai.

However, subsequently due to non-compliance of certain conditions of the said agreement by PACL Ltd. dispute arose between PACL Ltd. and our company. Accordingly, we terminated the said agreement by our letter dated 19th March, 2015 addressed to PACL Ltd. Please find enclosed herewith the copy of the said Notice dated 19th March, 2015 at Annexure "IV" hereto. However, PACL Ltd. filed a petition under section 9 as well as section 11 of the Arbitration Act before Hon'ble Bombay High Court, which is pending for final disposal.

CONCEPT INFRAESTATE PRIVATE LIMITED

In the petition filed under section 9, being Filing No ARBPL/1937/2014 dated 16th December 2014 and Registration No ARBP/363/2015 dated 27th February 2015, the Hon'ble Bombay High Court has passed an order dated 22nd December 2014 inter alia directing our company as well as other respondents therein not to create third party rights with regard to properties and investments of the company (which includes said properties). Please find enclosed herewith the copies of the said Petitions and orders passed by the Hon'ble Bombay High Court at Annexure" V" hereto. In order to meet its liability PACL Ltd. is misleading the Courts/Authorities by passing off other entities properties as its own.

In view of the aforesaid, we are placing our objection before the respected Committee under the guidance of Hon'ble Mr. Justice (Retd.) R. M. Lodha that the said properties be removed from the list of the properties put up for auction. We would like to further request the respected committee to give us a hearing to explain our case in detail for objecting to the sale of the said properties and to show documents evidencing that the right, title and interest in respect of the said properties belongs to our Company.

Dear Madam,

Re: Reply to Notice dated March 19, 2015 and April 17, 2015 (the "Reply")

We are concerned for PACL Limited, having its registered office at 22, 3rd Floor, Amber Tower, Sansar Chand Road, Jaipur- 302 001 and one of the corporate address at 7th Floor, Gopal Das Bhawan, Barakhamba Road, New Delhi ("Our Client"). Our Client has placed in our hands your Notice dated March 19, 2015 (the "First Notice"), received on March 27, 2015 and another Notice dated April 17, 2015 (the "Second Notice"), received on April 20, 2015 cumulatively referred as *Notices*, with instructions to reply the same, as follows:

1. At the very outset, we deny each and every, general or specific, allegations made against Our Client in the Notices. None of the contentions raised by Your Client shall deem to be admitted unless the same is specifically admitted herein. We hereby deal with the First Notice and Second Notice, consecutively.
2. With reference to the paragraph nos. 1 to 3 of the First Notice, Our Client deny the allegations raised therein. It is correct to state that Your Client is engaged in the business of aggregation and development of lands across India, obtaining requisite government approvals for the same, with the help of his entities, firms, companies and concerns acting under him and under his domain. Considering the expertise and market footing of Our Client in real estate industry, Your Client approached Our Client to provide professional services, for which various

Memorandum of Understandings ("MoUs") were entered into, between the parties, setting out the terms and conditions of the business.

3. With reference to the paragraph no. 4 of the First Notice, Our Client deny that Your Client kept Our Client abreast of all developments in the acquisition of lands. Your Client never gave true, complete and accurate details relating to the lands being acquired, on behalf of Our Client. Furthermore, though Our Client has paid amount of Rs. 1807.91 crores (*Rupees one thousand eight hundred seven crores and ninety one lakhs*) towards procurement and aggregation of lands in various parts of India, the total aggregating amount paid to Your Client by Our Client is Rs. 2285.79 crores (*Rupees two thousand two hundred eighty five crores and seventy nine lakhs*), as admitted by Your Client in the Definitive Agreement.
4. With reference to the paragraph nos. 5 to 7 of the First Notice, Our Client deny that all the properties to the tune of Rs. 1468.13 crores (*Rupees one thousand four hundred sixty eight crores and thirteen lakhs*) were ever transferred by way of conveyance and assignment, by Your Client to Our Client in the manner, as required under the Master Arrangement Agreement dated March 28, 2013 (the "MAA") and to the satisfaction of Our Client. However, Our Client had the possession of the original documents of certain properties mentioned in the Schedule 2 of the Definitive Agreement (the "*Properties*"), in order to keep the same, under joint custody, as per the provisions of the Definitive Agreement.
5. With reference to the paragraph nos. 8 and 9 of the First Notice, Our Client deny the same in its entirety and such allegation is merely a fragment of imagination of Your Client. Both the parties mutually entered into the Definitive Agreement, to settle the disputes between them.
6. With reference to the paragraph no. 10 of the First Notice, Our Client is in utter shock and dismay that despite of the oral reminders made by Our Client, time and again, regarding the appointment of MC nominee and complying with the Condition Precedents, Your Client, who has been absconding, has served the subjected Notices to Our Client. However, Our Client once again reiterates that Our Client is ready and willing to comply with the Condition Precedents of the Definitive Agreement provided Your Client is also ready to fulfil the conditions and obligations arising under the Compromise Deed dated January 07, 2014 (the "*Compromise Deed*") and under the Definitive Agreement since many of the Condition Precedents are mutual in nature. As per the Compromise Deed, the

entire shareholding of Sunshine Infracity Private Limited ("Sunshine") and its properties were to be transferred to Our Client and the comfort documents were to be executed to satisfaction of either parties before the withdrawal of the case/complaint. The comfort documents implied all the necessary documents for transfer of ownership and control in Sunshine to Our Client, such as appointment of directors nominated by Our Client, transfer of control of Bank accounts to Our Client or its nominees, transfer of all statutory register, no - liability certificate in relation to Sunshine and all documents relating to Sunshine and any other such documents necessary for transfer of ownership, control and properties of Sunshine to Our Client. It is an admitted position in the paragraph under reference that Our Client took steps to withdraw the complaint filed against Your Client but Your Client neither transferred the entire shareholding of Sunshine nor executed the comfort documents to the satisfaction of Our Client. The non performance of the obligations by Your Client cannot be attributed to the performance of obligations by Our Client.

7. With reference to the paragraph nos. 11 and 12 of the First Notice and without prejudice to what is stated herein above, we state that the contents of the same are inconsistent with the contents of paragraph nos. 9 and 10 of the First Notice. On one hand, Your Client has alleged that he was coerced to enter into the Definitive Agreement and on the other hand, Your Client states that Your Client has been having oral communications for compliances of the Definitive Agreement.

We hereby deal with the each Clause of the Definitive Agreement, as set out in the First Notice, herein below:

- i) Clause L: "...Prateek Kumar and PACL shall jointly hold in custody all the available original documents...as have been acquired (or to be acquired) till the parties have achieved the purpose of settlement as set out herein";

Our Client states that certain available original documents of the Properties, were under the joint custody of both the parties and under the possession of PACL, as admitted by Your Client in paragraph no. 13 of the First Notice, therefore, it cannot be said that the same was not acted upon.

- ii) Clause M: "Both parties have initiated against each other various legal proceedings (civil and criminal in nature) which the parties have now mutually agree to withdraw the same as per this Agreement".

The withdrawal of the cases has not been completed, not due to the performance of the obligations by Our Client but in view of the non-compliance with the provisions of the Compromise Deed and of the Definitive Agreement by Your Client, as aforesaid under paragraph no. 6 of this Reply, more particularly, when Your Client neither transferred the entire shareholding of Sunshine nor executed the comfort documents to the satisfaction of Our Client.

Further, though the shares of certain PK Group of companies were transferred to PACL Group, the necessary documents such as statutory registers, board minutes, bank account details and control thereof, have not been handed over to Our Client. Therefore, even though Our Client had 80% shareholding in the certain PK Group of companies, the control of the companies remained with Your Client and his representatives. Moreover, Our Client also learnt that Your Client had alienated various Properties without the knowledge and consent of Our Client.

However, Our Client once again reiterates that it is still ready and willing to comply with the Condition Precedents of the Definitive Agreement, which essentially includes the Clause M as well, provided Your Client and the PK Group is also willing to fulfil their respective obligations under the Compromise Deed and under the Definitive Agreement since many of the obligations of Conditions Precedents are mutual in nature.

- iii) Clause 1.4: "The Parties hereby appoint and have set up a monitoring committee ("Monitoring Committee/MC") along with the execution of the Definitive Agreements which shall consist of the following persons:

- a) A person to be nominated by PACL (PACL Group - MC Nominee);

[Handwritten signature]

- b) *A Person to be nominated by Prateek Kumar ("PK Group - MC Nominee");...*

The Monitoring Committee (the "MC") was to be appointed by both the parties as per the Definitive Agreement. Despite of the oral reminders made by Our Client to Your Client in this regard, Your Client never acted upon the same. Therefore, the non-appointment of MC cannot be solely blamed on Our Client. Further, Our Client has already intimated to Your Client, about the appointment of the MC nominee, on behalf of the PACL Group.

- iv) Clause 2.3: *"The Parties have agreed to share the Net Land Revenue in the ratio of 80:20 for PACL Group and PK Group respectively..."*

The allegation of violation of this Clause is baseless as Our Client never transferred or created third party rights in any of the Properties. In such a situation, when Our Client has not alienated any of the Properties, the question of violation does not arise.

On the contrary, Your Client created third party rights in the Properties and violated the Definitive Agreement, in two fold manner (i) by creating third party rights without knowledge and consent of Our Client, being the holder of 80% shareholding; and (ii) without prejudice to the point (i), the alleged revenue generated out of such sale, was not divided in the agreed proportion and thus, defeating the provisions of the Definitive Agreement. Our Client has documentary proof of certain Properties registered with the appropriate authorities, which have been illegally transferred by Your Client and the certain PK Group of companies.

- v) Clause 2.5 and 2.6:

Clause 2.5: *"PACL Group and PK Group jointly or through MC, endeavour to clear all Encumbrances (if any) from the said Properties and make the tile of the said Properties clear and marketable with all permissions..."*

Clause 2.6: *"In case, any funds are required in respect to clear the*

Encumbrance of the property or for development of the Properties or for land acquisition, etc, such part thereof or for payment of stamp duty for transfer of land or for approvals or for any other, then PACL may bring in the required funds shall all monies paid by PACL shall be a first charge on all the revenues generating out of such Properties on which the same has been spent".

The rationale behind the allegation of violation of these Clauses by Our Client is incomprehensible, especially in the absence of any reasoning. Nevertheless, since the MC has not been formed despite of the oral reminders from Our Client, there is no question of any violation of these provisions. In the absence of MC, it was a joint responsibility of both the parties and Our Client cannot be solely blamed for the same. Furthermore, the actual control of all PK Group companies is lying with Your Client and in such a situation, Our Client was restrained to act in this regard. Without prejudice to the same, no information was ever furnished to Our Client to clear any Encumbrance or for development of the Properties or for land acquisition and thus, there does not arise any question of clearing any Encumbrances.

- vi) Clause 2.8: "PACL had published in various newspapers in respect to Prateek Kumar and the Properties in question putting notice to the public at large that no person should deal with Prateek Kumar...PACL hereby agree that it shall publish notice to the satisfaction of both the parties".

This newspaper notice had to be published to the satisfaction of both the parties. Moreover, the satisfaction cannot be achieved when Your Client is absconding and has not complied with his obligations under the Definitive Agreement and under the Compromise Deed.

However, Our Client reiterates that if Your Client is ready and willing to comply with all his obligations in the Definitive Agreement and the Compromise Deed, Our Client was always willing and still willing to publish such notice subject to making available the draft of the public notice to enable Our Client to publish public notice in the relevant newspapers after getting

itself satisfied.

- vii) Clause 2.9: *"Parties hereby admit and acknowledge that all the original title documents in respect to the Properties (as set out in Schedule 2 Annexures) including but not limited to revenue records...and the same shall be held in joint custody (as may be mutually decided) till the time the parties have complied with Conditions Precedents (as defined below)".*

It is important to mention herein that no misuse has been done by Our Client of the documents, kept under the joint custody. Since Your Client was aware that Our Client's business activities are subject to investigation, there is no point of making hue and cry about the same. These documents have been seized by CBI, in relation to the investigation running, in the separate case and the same is sub-judice. Your Client is aware of the Seizure as a representative of one of the PK Group entities has signed over the Search List, wherein CBI has seized the original documents. In any event, the same cannot be made a ground for grievances of Your Client, when Your Client is himself absconding.

- viii) Clause 2.10.2 and Clause 2.10.3:

Clause 2.10.2: *"Synergyone Infrastructure and Projects Private Limited shall transfer and assign the properties, set out firstly in Schedule 5, in favour of PK Group or its entities at the cost of PACL..."*

Clause 2.10.3: *"The transfer of 80% share of Synergyone Infrastructure and Projects Private Limited in favour of PACL Group entities shall be effective immediately on the date when PK Group has transferred and assigned the properties of Synergyone Infrastructure and Projects Private Limited set out in Schedule 5 in favour of PK Group or any of its entities..."*

Our Client is legal and rightful owner to hold 80% of shareholding of Synergyone, since the parties have consummated the transaction and Your Client transferred the 80% shares, in favour of Our Client. However, Your Client has acted in utter violation of the provisions of the Definitive

[Handwritten signature]

Agreement and has not handed over the actual control (bank accounts' control, statutory registers, board meetings records etc.) of Synergyone to Our Client, till date.

Moreover, it is again Your Client, who has illegally alienated the property forming part of Schedule 5 of the Definitive Agreement i.e. Metropole property of Pune (as stated *firstly in Schedule 5*), in violation of the aforementioned provisions of the Definitive Agreement, wherein both the parties agreed for simultaneous transfer, that the properties coming under *firstly in Schedule 5* shall be transferred to PK Group, when the properties coming under *secondly in Schedule 5* are transferred to PACL Group. Your Client acted unilaterally, in complete neglect and disregard to the interest of Our Client and its group.

Furthermore without prejudice to what is stated hereinabove, Clauses 2.10.1, 2.10.3, 2.10.4 and 2.10.5 sets out the obligations of PK Group, which were never complied by Your Client.

Moreover, the formation of MC was to be jointly done by both the parties and despite of the oral reminders by Our Client, it cannot be solely blamed for its non-formation, thus, allegation of violation by Our Client is baseless and false.

ix) Clause 4.1 to 4.3:

"The Parties shall execute the documents in the following sequences, unless otherwise mutually agreed:

4.1 *both parties to withdraw all cases filed against each other, and simultaneously Parties to deposit all of Original Documents in Joint Custody as mutually agreed;*

4.2 *PACL shall Publish Notice as mentioned above;...*

4.3 Condition Subsequent:

(i) *Transfer of the properties (set out in Schedule 5) from Synergyone Infrastructure & Projects Private Limited to PK Group or its nominees;*

(ii) *Both parties shall file and also comply with necessary statutory compliance and fillings with all relevant authorities;*

(iii) *the respective shareholders of each of the entities..."*

Herein, Our Client reiterates the contents of paragraph no. 6 and 7 of this Reply. With respect to the fact of necessary statutory compliances and joint possession, Our Client has not violated the aforesaid provision.

On the contrary, it is Your Client who has obstructed the process of statutory filings in respect to appointment of nominee of Our Client in certain PK Group of companies and wrongfully removed the nominees appointed by Our Client in those PK Group of companies. Without prejudice to the proceedings running before the Hon'ble Company Law Board ("CLB") in respect to Synergyone, which is pending for adjudication, Our Client reserve its right take appropriate legal action against such illegal act.

- x) **Clause 6.1.13:** *"Each party hereby jointly and severally, agree and undertake with other as follows:*

6.1.3: refrain from violating, breaching or defaulting and from taking or failing to take any action that (with or without notice or lapse of time or both) would constitute a violation, breach or default under, any term or provision of any law or regulation or contract to which they are a party or by which any assets is or may be bound or that would (a) prevent or invalidate the consummation of the transaction contemplated under the Transaction Documents or (b) cause the Transaction Documents and the transaction contemplated hereby to violate any applicable legal requirement;"

One of the PACL Group entities namely Woods Ville Project Private Limited ("Woodsville") had entered into a MoU, in the form of preliminary understanding, with Valmark Reality Holdings Private Limited, a company for the purpose of promotion of the project. Nevertheless, the aforesaid MoU has not been acted upon and no property has been transferred or alienated by Our Client in any manner, thus, the same cannot be considered as violation by Our Client.

xi) Clause 9.1.5 and 9.1.6:

"Events of Default: Each of events or circumstances set out below shall constitute the events of default (each a "Event of Default" and collectively the "Events of Default"):

9.1.5 any of the Group or entity is declared insolvent, bankrupt and industrially sick or is unable to pay its/his debts or enters into compromise or arrangement...

9.1.6 in the event there is any order of attachment /attachment of any of the properties of any of the parties;"

We deny that CBI officials have attached the Properties. Although, CBI has seized the documents of various Properties in an investigation running, by way of Search List dated August 06, 2014, of which Your Client is well aware from the date of entering into the transaction with Our Client. In view thereof, Our Client cannot be saddled with allegation of violation of any of the terms, as set out in the Notices. Moreover, it is Your Client, who has created third party rights in the Properties and acted in blatant violations of various Clauses of the Definitive Agreement which has been set out herein below.

8. With reference to paragraph no. 13 to 16 of the First Notice, we state that it does not lie in the mouth of Your Client to make the allegation as set out therein, considering that Your Client himself has several cases pending against him in various Courts in India and in fact has been declared as absconder. We further state that Our Client have been co-operating with the various investigations against them and have been making proper representations to deal with all the allegations made against them, unlike Your Client, who has been absconding. In any event, Your Client has been aware of the CBI investigation, as well as the SEBI case since the very inception, thus, Your Client shock and dismay with regard to the same at this juncture is unfound. Without prejudice to the above, we state that none of the Events of Default has occurred, as far as Our Client is concerned and thus, there is no occasion for termination of the Definitive Agreement as set out under Clause 9.2.
9. With reference to paragraph nos. 17 and 18 of the First Notice, Our Client deny

Handwritten signature or initials.

the allegations made therein and state that the purported termination of the Definitive Agreement by Your Client is bad in law and untenable. The reasons set out for termination of the Definitive Agreement are baseless and irrational. Further, the Parties have acted upon the Definitive Agreement and have consummated the transaction *inter-alia* by way of (i) entering into certain Shareholders' Agreement pursuant to Clause 2.4 of the Definitive Agreement; (ii) keeping the documents relating to the Properties under the joint custody; and (iii) transfer of shareholding of certain PK Group of companies and of certain PACL Group of companies.

10. With reference to paragraph no. 19 of the First Notice, we state that Your Client has been taking contrary stand once again. Your Client has earlier alleged that he was coerced to enter into the Definitive Agreement with Our Client in the paragraph under reference. Your Client is now alleging that he was induced to enter into the Definitive Agreement through misrepresentation of material fact by Our Client, which is suffice to show the *malafide* intention of Your Client. Without prejudice to above, we further deny that there was any misrepresentation on the part of Our Client. We also deny that any material cause has arisen for Your Client to rescind the Definitive Agreement.
11. With reference to paragraph no. 20 of the First Notice, we deny the allegations made therein and state the same are baseless. We further deny that there has been any communicated material fact, which would have rendered the agreement void.
12. With reference to paragraph no. 21 of the First Notice, we deny that there has been any agreement as to taking over the responsibilities of the expenses relating to the Officers and Staff of Your Client's entities. Although, Our Client is entitled for the managing control being majority shareholder in certain PK Group companies but without prejudice to the above, we further state that in any event, as Your Client did not handover the requisite document of his entities and retaining the actual control and thus, Our Client is not able to manage the day to day affairs of entities of Your Client. However, if all the necessary documents in relation to Your Client's entities such as statutory registers, board minutes, bank accounts etc., are handed over to Our Client, they are ready and willing to look into and manage the day today affairs of Your Client.

A handwritten signature in black ink.

13. With reference to paragraph no 22 of the First Notice, Our Client deny the contents therein and state that the same has been already been dealt with hereinabove.
14. With reference to paragraph nos. 23 & 24, we state that neither your present Notices for termination is valid under law, contract and equity nor have you made any cogent grounds for termination of the Definitive Agreement. In view thereof, the Definitive Agreement is valid and subsisting and there does not arise any question of treating the MAA as full and final.
15. Now, we deal with each Clause of the Definitive Agreement, violated by your Client or resulted into violation due to non cooperation or non action of your Client, in detail, herein below:

i) Clause 1.4: "Monitoring Committee"

"The Parties hereby appoint and have set up a monitoring committee ("Monitoring Committee/MC") along with the execution of the Definitive Agreements which shall consist of the following person:

- (i) *A person to be nominated by PACL ("PACL Group - MC Nominee");*
- (ii) *A person to be nominated by Prateek Kumar ("PK group - MC Nominee")*
(PACL Group - MC Nominee and Group - MC Nominee are collectively referred to as "Monitoring Committee/MC")

All the respective Company set out in Schedule 1 shall appoint its MC Nominee as mentioned aforesaid, by passing a board resolution.

Parties shall be at liberty to change their respective MC Nominee, but with prior written intimation to the other.

Monitoring Committee will require approval of Mr. Gurmeet Singh Chahal for all major decisions in respect of the properties as set out in the Schedule 2."

Despite of the oral reminders from Our Client regarding appointment of nominee of Monitoring Committee, Your Client has not responded. This shows that Your Client does not want to comply and putting the wrongful onus on Our Client to comply with the provisions of the Definitive Agreement unilaterally.

ii) **Clause 2.1: "Properties under joint management of the MC"**

"All the Properties (mentioned in Schedule 2) shall be put under the control, supervision and management of the MC. The MC alone shall be authorized to execute all deeds, documents, papers, etc. for sale, leasing, mortgaging, transferring, etc. the said Properties or any part thereof or any units to be constructed thereon and the take possession and control of all such Properties. Both parties shall execute such POA, Resolution, documents, letters, undertakings, etc. that may be required to give effect to the settlement contemplated under this Agreement. The MC shall also be authorized to maintain the Bank Account of all the companies and the parties shall ensure that the MC is authorized to draw cheques and take all decisions pertaining to the said Properties and also its development, construction, allotment, sale, leasing of any units, etc."

In the event, when MC alone had right to sale the Properties, the act of selling the Properties behind the back of Our Client and creating third party rights therein, is a gross violation of the Clause 2.1 of the Definitive Agreement by Your Client.

iii) **Clause 2.2: "Share of PACL and Prateek Kumar in Net Land Revenue"**

"It is further agreed by and between the parties herein that PACL and/or PACL Designates shall be entitled to 80% (eighty percentage) of "Net Land Revenue" ("PACL Share") and Prateek Kumar shall be entitled to 20% (twenty percentage) of "Net Land Revenue" ("PK Share") "Net Land Revenue" referred to above shall mean "any consideration including sale value, JV consideration, etc. of development of land/project or by way of sale of the shares of any Firm or Company set out in the Schedule 1 or any Properties as per Schedule -2, less (i) any external borrowings (other than PK Group or PACL Group); (ii) any new investments made by any parties in land and/or development expenditure, approval, expenditure, commissions/brokerage, etc. from the date of execution hereof."

As mutually agreed between the parties, certain original documents were under the joint custody and possession of Our Client. Your Client committed two fold violation of the Clause under reference. Firstly, creation of third party interest in the Properties, without any kind of approval and intimation to Our Client, in spite of having 80% shareholding in the PK Group companies by Our Client and secondly, by appropriating the 100% revenue in its own favour, generated from the sale of such Properties, against the principle of 80:20.

iv) **Clause 2.3.2: "Transfer of Shares/interest"**

2.3 "The Parties have agreed to share the Net Land Revenue in the ratio of 80:20 for PACL Group and PK Group respectively. This is proposed to be achieved by either having appropriate shareholding in Companies which hold land or by way of profit share arrangement in partnership firms which hold land."

2.3.1 "Accordingly, To give effect to transfer of shares of the PK Group to PACL/PACL Designate and PACL Group to PK Group, (i) all the shareholders and partners of the each group (being company) have executed transfer documents for transfer of all their respective shares in the relevant Group (being company) as per the Shares (defined later) agreed to be transferred to PACL/PACL Designates (i.e. 80%) and PK Group (i.e. 20%) (as per Schedule 4) without being liable to make or pay any consideration therefore, which the shareholders of each of the said Group/PACL Group (wherever partnership firm) have executed deed of admission-cum-retirement for providing its/his consent to..."

2.3.2 "Both the parties shall execute all such deed and documents and so all such act as may be required by it to give effect to the understanding and terms and conditions mentioned in this Agreement in letter and in spirit including but not limited to, recording, transfer of shares or interest in the companies, removal of director or partner appointed (as contemplated under this Agreement), filling necessary forms with the relevant government authorities and intimation to all third party (including banks and financial institutions) about such change in control in favour of PACL/Prateek Kumar and its nominees, affiliates etc. (as the case may be) and generally do all such act or deed as is usual and customary to transfer of such nature".

As admitted under Clause 2.3.1 of the Definitive Agreement about the consummation of the transaction by the parties, each party was under obligation to take necessary steps to effect the transfer in the eyes of law. Even after such consummation of the Definitive Agreement, Your Client did not take any steps to complete the Transaction Documents and did not register and/or allowed to register, the names of nominee appointed by Our Client, on certain PK Group of companies with the Registrar of Companies ("RoC").

Furthermore, Your Client has gone to the extent that nominees appointed by Our Client, on the board of Synergyone and certain other PK Group companies, were removed without following the due procedure of law. Without prejudice to the proceedings running before the Hon'ble Company Law Board ("CLB") in respect to Synergyone, which is pending for adjudication, Our Client reserve its right take appropriate legal action against such illegal act.

v) Clause 2.4: "Execution of the Shareholders Agreement"

"A shareholder's Agreement shall be executed between the shareholders of the entities mentioned in Schedule 1 ("Shareholders Agreement") for the purpose of governing their obligations and rights under the same and to empower the MC to such Fights as are set out in this Agreement."

In term of Clause 2.4, Shareholders' Agreements were required to be executed between certain PACL Group companies and certain PK Group companies, as agreed under the Definitive Agreement. Your Client has not executed such Shareholders' Agreement in respect to many of the PK Group companies including Synergyone.

vi) Clause 2.10.1: "Transfer of certain properties/equity shares/ Interest..."

2.10.1 "Prateek Kumar and all it share holders and Directors hereby agree that PACL Group/entities shall be entitled to 80% equity shares in Synergyone Infrastructure & Projects Private Limited and Prateek Kumar has agreed to cause to transfer and assign 80% of the shareholdings by entering into such document as PACL may deem fit and proper without any consideration whatsoever for all of such Company and partnership firms as set out Secondly in Schedule 5 in favour of PACL Group or any of its entities within a period of 75 days from the execution hereof at the cost of PACL Group."

Despite of transfer of 80% shareholding of the Synergyone by Your Client to Our Client, the actual control of Synergyone has not been handed over to Our Client in the form of control of bank accounts, operations, statutory registers and board meetings records etc.

Moreover, Your Client and PK Group had to transfer the properties and shareholding, as set out Secondly in Schedule 5 to Our Client in terms of 2.10.1 of the Definitive Agreement but Your Client is in breach of the provisions of the Definitive Agreement, not only by transferring and alienating one of the property (i.e. Metropole property of Pune), mentioned firstly in Schedule 5 to some third party, in exclusion to the interest of PACL Group, but also by not transferring the properties mentioned secondly in Schedule 5.

vii) Clause 2.10.4:

"Notwithstanding anything contained anywhere else in this Agreement, for any and all

properties of Synergyone Infrastructure & Projects Pvt. Ltd., no decision or authority shall be exercised by Prateek Kumar or MC and the same shall rest with PACL."

The Clause under reference is a non-obstant clause. It expressly provides that the authority to deal with the Properties held by Synergyone shall only rest with Our Client. In utter disregard to the same, Your Client has sold the property situated in Pune, which was held by Synergyone and thereby acted in violation of the Clause under reference.

viii) Clause 2.13: "Special terms of certain properties"

"Both the Group hereby agree and confirm that the properties which were acquired by PACL Ltd. and subsequently transferred in the name of Prateek Kumar and/or PK Group shall be re-conveyed and re-transferred back to PACL Ltd. by Prateek Kumar and/or PK Group within a period of 45 days from the date of execution hereof, such properties are more particularly set out in Schedule 6."

Pursuant to this Clause, both the parties agreed that properties belonging to Devshri Infrahomes Private Limited (one of the PK Group company), as set out in Schedule VI of the Definitive Agreement, which were earlier transferred to PK Group by Our Client, shall be re-transferred to Our Client within the period of 30 days from the date of execution of Definitive Agreement. Your Client has not acted upon this Clause till date and thereby defeated the provision of the Definitive Agreement.

ix) Clause 4.3: Condition Subsequent

- (i) ...;
- (ii) Both parties shall file and also comply with necessary statutory compliance and fillings with all relevant authorities;
- (iii) the respective shareholders of each of the entities..."

Once again, the obligations have been casted on both the parties to comply with such clause. Since Your Client has already transferred 80% shareholding of Synergyone to Our Client and Our Client is legally entitled to have 80% shareholding of Synergyone, despite of it, actual control is being held by Your Client.

Furthermore, when Our Client made necessary fillings with RoC, in respect to

the appointment of nominees of Our Client in certain PK Group companies, being statutory compliances, Your Client wrongfully obstructed the process and removed the nominees appointed by Our Client in those PK Group companies. Without prejudice to the proceedings running before the Hon'ble Company Law Board ("CLB") in respect to Synergyone, which is pending for adjudication, Our Client reserve its right take appropriate legal action against such illegal act.

x) Clause 6: "Covenant and Warranties"

- (a) *Clause 6.1.3*: Your Client had to refrain from violating, breaching, defaulting and from taking any action that would constitute a violation of any contract, law or which would prevent or invalidate consummation of the transaction contemplated under the Transaction Documents. Creation of third party rights in the Properties itself a huge fact, constituting a breach of the contract and preventing the full fledged consummation of the transaction.
- (b) *Clause 6.1.9 and Clause 6.1.13*: Your Client expressly undertook, not to take any corporate action including sale of any assets or otherwise, which might result in dilution of the interest in any of the company. It is pertinent to mention that sale of certain assets, in the form of Properties, by PK Group of companies namely (i) Castle Infraestates Private Limited; (ii) Stone Water Properties Private Limited; and (iii) Inspire Infraestate Private Limited, is a gross violation of this Clause and has breached the provisions of the Definitive Agreement.
16. We hereby deal with the contents of the Second Notice issued by Your Client to Our Client.
17. With reference to the contents of paragraph no. 1 of the Second Notice, the same does not require any comments.
18. With reference to the contents of paragraph no. 2 of the Second Notice, the same has already been dealt with under paragraph no. 2 of this Reply.
19. With reference to the contents of paragraph no. 3 of the Second Notice, we have already dealt with the same, under paragraph no. 3 of this Reply.

20. With reference to the contents of paragraph no. 4 of the Second Notice, the allegations raised in paragraph nos. 8 and 9 of the First Notice are inconsistent with the paragraph no. 4 of the Second Notice wherein Your Client has himself admitted the fact that the various differences were finally buried in the form of execution of the Definitive Agreement. Such fact is suffice to show the *malafide* intentions of Your Client.
21. With reference to the contents of paragraph no. 5 and 6 of the Second Notice, we reiterate the contents of paragraph no. 8 and 9 of this Reply.
22. With reference to the contents of paragraph no. 7 of the Second Notice, the same has been dealt with, under paragraph no. 11 of this Reply.
23. With reference to the contents of paragraph no. 8 of the Second Notice, we have already dealt with the same hereinabove, under paragraph no. 8, 9 and 13 of this Reply.
24. With reference to the paragraph no. 9 of the Second Notice, we reiterate that neither Notice of termination is valid under law, contract nor have you made any potent ground for the termination of the same. Since termination of the Definitive Agreement is not valid, the question of getting the properties released from the orders of CBI does not arise.
25. With reference to the paragraph no. 10 of the Second Notice, Your Client once again is taking a contrary stand. It is an admitted position that certain original documents of the Properties were lying under the joint custody with Our Client.
26. With reference to the paragraph no. 11 of the Second Notice, we state that Your Client and PK Group has been restrained to act or deal with the Properties of the Definitive Agreement in any manner, by the order of the Hon'ble High Court of Bombay dated December 22, 2014 (the "*Order*") in the Arbitration Petition no. 363 of 2015. Acting in contradiction to the aforesaid Order will attract the consequences at Your Client's risk and costs.

27. To summarize, since parties have consummated the transaction, inspite of the Condition Precedents not being complied with, the parties have deemed to have waived the compliances of Conditions Precedents, as a pre-requisite for commencement of transaction, as contemplated under Definitive Agreement and in such scenario, termination right for non compliance of Condition Precedents have been waived by the parties by conduct. Thus, non-compliance of the Condition Precedents cannot be a ground for termination of the Definitive Agreement since the parties have acted upon the Definitive Agreement. Moreover, the termination by Your Client, by citing violations of the Definitive Agreement by Our Client, when there is none, is rather astonishing, especially considering Your Client's various acts of breach of the Definitive Agreement. Our Client once again reiterates its willingness to comply with the Condition Precedents.
28. In view thereof, the Definitive Agreement stands valid, subsisting and binding on the parties to the Definitive Agreement. Your Client cannot unilaterally terminate the Definitive Agreement for various reasons as set out hereinabove and since Your Client is in breach of various provisions of the Definitive Agreement. Therefore, Our Client call upon Your Client to forthwith perform all pending obligations arising under the Definitive Agreement and restrain Your Client to take any action which is inconsistent or contrary to the Definitive Agreement.
29. The grievances raised by Our Client in this Reply, are not exhaustive in nature. Our Client reserves its right to list out the various defaults committed by Your Client and the PK Group and put forth its application, petition, claims, counter statements and/or counter claims before the duly appointed Arbitrator and/or any other appropriate forum including the Court under law, contract including, the Compromise Deed, Definitive Agreement read with the Supplemental Agreement and/or under equity.
30. Needless to mention, this Reply is without prejudice to any of the contentions available to Our Client under the law, contract and/or equity. This Reply shall have no effect on, and does not waive, limit or relinquish, any of the rights and/or remedies available with Our Client (*including but not limited to our Client's right and/or remedies against your breach of representation, warranties and covenants*) under the Compromise Deed, Definitive Agreement, the Supplemental Agreement and/or other remedies available to Our Client. Our Client's failure and/or neglect to exercise any such right or remedy available shall not be taken to be a waiver of any and/or all such rights or remedies.

Limited have been transferred to the Petitioner and its entities.

- 6.6. However pursuant to the MOUs, there were several disagreements and differences between the Petitioner and the Respondent No.1 in relation to the MoUs.
- 6.7. In order to reach an amicable settlement, the Petitioner, Respondent No.1 and Greenfield Estate entered into a Memorandum of Understanding on September 21, 2012 (*"the Principal MOU"*). Pursuant to the Principal MOU, the Petitioner, Greenfield Estates and the Respondent No. 2 entered into a Master Arrangement Agreement on March 28, 2013 (*"MAA"*). Hereto annexed is the copy of the MAA marked as Exhibit "B". As per the MAA, the Respondent No. 2, Greenfield Estates and Associate Concerns (*as defined in the MAA*) agreed to transfer the aggregate of 4,479.4564 acres of land in various cities of India that were acquired by the Respondent No. 2, through Greenfield Estates in the name of the entities as set out in the table above, in favour of the Petitioner, its subsidiaries, affiliates or its nominees as maybe instructed by the Petitioner. Nevertheless, there arose several disagreements between the Petitioner and the Respondent No. 2 with regard to the MAA.
- 6.8. Subsequent to signing of the MAA the Petitioner learned that the Respondent No.1 had misappropriate funds given by the Petitioner to him through Green Field Estates for acquiring properties in the names of various entities without the knowledge of the Petitioner. The Respondent No.1 had highly over rated the

value of properties of which documents were handed over to the Petitioner under the MAA. The Respondent no.1 also not did not disclose the various assets as purchased by Respondent no.1 and its entities from the funds received from the Petitioner and its entities.

6.9. The Petitioner due to the mala fide acts of the Respondent No.1 was compelled to lodge a complaint before the Police Station at Pune.

11.1 Arbitration:

As there is limited dispute and difference between the Parties in respect to this Agreement, the Parties have mutually agreed and accepted to appoint a sole arbitrator to resolve the aforesaid dispute arisen between the Parties and such arbitration which shall be governed by the provisions of the Arbitration and Conciliation Act, 1996 and shall be concluded within a period of 120 days from the date of appointment. The Award of the Arbitrator shall be final and binding and enforceable upon all the parties to this Agreement.

The place of both the above arbitration shall be Mumbai and the language of arbitration shall be English. The arbitrator's award shall be substantiated in writing. The arbitrator shall also decide on the costs of the arbitration procedure. The Parties shall submit to the arbitrator's award and the same shall be enforceable in any competent court of law.

12. Governing Law and Jurisdiction:

The Courts at Mumbai alone shall have the exclusive jurisdiction in respect of all matters or disputes or differences arising out of this Agreement.

6.11. A copy of the Definitive Agreement is annexed hereto and marked as Exhibit "C". An amendment to the Definitive Agreement i.e. Supplemental Agreement to Definitive Agreement for Settlement, was executed on November 30, 2013 to record certain amendments to the Definitive Agreement. The Supplemental Agreement to Definitive Agreement for Settlement essentially amends certain clauses of the Definitive Agreement

i.e. Clauses 2.10.1, 2.10.2, 2.10.3, 2.13, 3 in such a way that the number of days in the said clauses have been modified to certain extent. The copy of the said Supplemental Agreement to Definitive Agreement for Settlement is annexed and marked as Exhibit "D".

6.12. Thus in the Definitive Agreement, it was agreed between the parties thereto that as a consideration for mutual obligations, inter alia, the shareholding of all the companies set out in Schedule 1 of the Definitive Agreement (except the Petitioner) and annexed hereto as Exhibit "E" shall be in the ratio of 80% (PACL Group/ its nominees) and 20% in favour of PK Group/ its nominees respectively. Also, the Petitioner and the Respondent no.1 were entitled to Net Land Revenue (as defined under Clause 2.2 of the Definitive Agreement) in the ratio of 80% and 20% respectively. Net Land Revenue includes any consideration of including sale value etc of development of land/ project or by way of sale of the shares of any Firm or company as set out in Schedule 1 or any property as per Schedule 2 (and annexed hereto as Exhibit "F") respectively of the Definitive Agreement. It was also agreed by Respondent no.1 that Petitioner and/ or its entities shall be entitled to 80% of the shareholding of Respondent no.5 as well as other entities, without any consideration, as set out in Secondly in Schedule 5 of the Definitive Agreement and set out herein as Exhibit "G" Part B. In terms of the Definitive Agreement, the transfer of 80% shares of Respondent no.5 to the Petitioner and/ or its entities shall immediately take place when the Respondent no.1 transfers and assigns certain properties as set out in firstly Schedule 5 of the Definitive Agreement and Exhibit "G" Part A in favour of Respondent no.1 and its entities subject to fulfillment of certain conditions as set out under the Definitive Agreement read with Supplemental Agreement to Definitive Agreement for Settlement.

6.13. Pursuant to the Definitive Agreement, the shareholders of the

PACL Group transferred to the nominees of Respondent No.1. certificates of shares equal to 20% of the share capital of each of the PACL Group of Companies as set out in Part 1 of the Schedule 1 of the Definitive Agreement (i.e. Respondent No. 37 to 42); and shareholders of PK Group transferred to the nominees of the Petitioner, certificates of shares equal to 80% of the share capital of each of the PK Group of Companies as set out in Part 2 of the Schedule 1 of the Definitive Agreement (i.e. Respondent No. 2 to No.36, hereinafter referred to as "*PK Group*").

- 6.14. The parties to the Definitive Agreement consummated the transaction contemplated under the Definitive Agreement by transferring the shares and depositing the title deeds under joint custody. Both the parties had acted upon the Definitive Agreement and consummated the transaction inspite of the fact that condition precedent under the Definitive Agreement had not been complied. The Condition precedents could not be complied with due to non-cooperation and non availability of the Respondent No.1.
- 6.15. Furthermore, as per the Definitive agreement 80% shares in PK Group had been transferred to various entities nominated by the Petitioner, however the control and management of the PK Group continued to be remain with the Respondent No.1, although the Petitioner and its nominees are holding 80% share capital in the these companies.
- 6.16. Furthermore, the Respondent No. 1 had bought several properties, the present market value of which is approximately Rs.1459,35,00,000 (Rupees one thousand four hundred fifty nine thousand crores and thirty five lakhs) in the name of Respondent No.5, and its subsidiaries, from the payments made by the Petitioner. Thus it was paramount for the Petitioner to have control over the Respondent No.5 Company so as to negate any inalafile acts of the Respondent No. 1 with respect to the Property owned by the Respondent No.5 along with its various

subsidiaries. However, two of the nominee Directors appointed on the Board of Respondent No.5, were wrongfully removed from the board of the Respondent No. 5. There were also several acts of oppression and mismanagement in relation to Respondent No.5, by Respondent No. 1 and his other representatives on the board, including related party transactions and siphoning of funds of Respondent No.5 as can be evidenced from the Respondent No.5's statement of bank account maintained with Axis Bank. Annexed and marked as Exhibit "H" is copy of the Respondent No.5's statement of bank account maintained with the Axis Bank.

6.17. In view thereof, the Petitioner through its affiliate company i.e. Bahar Paper Private Limited, which holds 80% shares in Respondent No.5, has filed a case before the Company Law Board under Section 397 & 398 of the Companies Act, 1956, alleging oppression and mismanagement. The Petitioner craves leave to refer and rely upon the said Company Petition bearing Company Petition No. 73 of 2014, as and when produced.

6.18. Sometime in August 2014 ("*Letter*"), the Petitioner received a letter from the advocates of Respondent No. 1, there in alleging, *inter alia*, that the Petitioner has failed to perform their various obligations under the Definitive Agreement. Through the Letter, Respondent No. 1 also invoked the Arbitration clause in the Definitive Agreement and asked the Petitioner to accept the appointment of one Mr. Ratan Lath, as the sole Arbitrator. The Petitioner, through the attorneys replied to the Letter vide their Letter dated September 3, 2014 ("*Reply*"), thereby *inter alia* denying all the allegations made in the Letter and enumerating all the defaults committed by the Respondent No.1 and PK Group. In the Reply, the Petitioner also informed that appointment of Mr. Ratan Lath is not acceptable to the Petitioner and suggested appointment of Mr. Justice (Retd.) Dilip G. Kamik as the sole Arbitrator in terms of Clause 11 of the Definitive Agreement. The copy of the Letter and the Reply are annexed and marked as

Exhibit "I" and Exhibit "J".

6.19. Furthermore, the Petitioner has learnt that the Respondent No.1 has been absconding and has been declared as a proclaimed offender by the State of Rajasthan. The Petitioner has been absconding since last several months. There are several criminal cases initiated against Respondent No.1 for various criminal offences in various states and lookout notice has also been issued against the Respondent No.1. It has been further learnt that most of the criminal complaints initiated against the Respondent are in pertaining to Respondent No.1's various land dealings. The printout from the website of Jodhpur Police declaring Respondent No.1, as a proclaimed offender/absconder is annexed herewith and marked as Exhibit "K".

6.20. The grave urgency for filing this Petition and this juncture arises from the fact that the Respondent No.1 through one Mr. Sandeep Kumar, has sold off one of the assets belonging to Respondent No.5, at Pune ("*Pune Property*") to Respondent No. 43 to 45, without the knowledge of the Petitioner, with utter disregard to the understanding between the Parties and law. Although, apparently the said plot was sold sometime in June 18, 2014, the Petitioner have learnt about the same only in December 2014, and thereafter have immediately approached this Hon'ble Court. The Petitioner holds 80 % share holding in Respondent No. 5 pursuant to the Definitive Agreement and was still was not informed about the sale of the assets. The copy from the e-search taken from the website of the Department of the Registration and Stamps along with the transfer documents filed with the sub-registrar is annexed hereto and marked as Exhibit "L".

6.21. The Petitioners have also come across a board resolution of the Respondent No. 5, authorizing one Mr. Sandeep Kumar to sign for selling the Pune property. No notice was given to the Petitioner's nominee on Board of Respondent No. 5 of any such meeting. It is also pertinent to note that Respondent No.1, has

been absconding since many months, therefore it is highly improbable that he would have attended the said board meeting of Respondent No.5. The Petitioner has reasons to believe that the board meeting to sell the aforesaid property was never held and there is element of fraud in the proposed sale of the property since the Respondent No.1 is absconding. The copy of the Board resolution is annexed herewith and marked as Exhibit "M".

- 6.22. The Petitioner has also recently learnt that certain properties owned by the Castle Infraestates Private Limited (Respondent No.8 herein), Stone Water Properties Private Limited (Respondent No.26 herein) and Inspire Infraestates Private Limited (Respondent No.9 herein) situated at Ghulmajara, Dera Bassi, in Punjab have also been sold off by Respondent No.1 and the concerned Respondents hereinabove. The Petitioner has obtained copies of the transfer deeds that have been executed by aforesaid Respondents in favor of third parties. Hereto annexed and marked as Exhibit N are the copies of transfer deeds obtained by the Petitioner in relation to properties transferred by the aforesaid Respondents. The Petitioner submits that the transfer deeds are in the vernacular language and the Petitioner can presently identify only the Respondent No.46. Since this Petition is filed in urgency, the Petitioner craves to add parties (in addition to Respondent No.46) who have been transferred the properties by Castle Infraestates Private Limited (Respondent No.8 herein), Stone Water Properties Private Limited (Respondent No.26 herein) and Inspire Infraestates Private Limited (Respondent No.9 herein).

7. Submissions

- 7.1. The present Petition has been preferred by the Petitioner to preclude the Respondents from creating any third party rights in respect of the any of the Property of the Respondent No. 1 to Respondent No.36, pending the Arbitration between the parties. In light of the forgoing circumstances, it is just and convenient

that the reliefs prayed herein be granted. .

- 7.2. The sale of the Pune Property behind the back of the Petitioner inspite of their Petitioner having 80% shareholding in the Respondent No. 5, denotes his demeanor. There is a reasonable and grave apprehension that the Respondent No.1 and his nominees may sell off any of the assets of the PK Group, and/or any of its subsidiaries, without the knowledge of the Petitioner.
- 7.3. The assets owned by the Respondent No. 2 to No. 36 have been accumulated from the proceeds made by the Petitioner to the Respondent no. 1. Sale of any of the assets belonging to the PK Group, thus tantamount to sale of assets belonging to the Petitioner.
- 7.4. I further submit that the Petitioner is ready and willing to perform their part under the Definitive Agreement. if the Respondent No.1 and PK Group are willing to perform their respective obligations under the Definitive Agreement. Nevertheless, for the purpose of performance by the Petitioner it is necessary that the Respondent No.1 personally remain present and co-operate with the Petitioner. The Petitioner cannot single handedly comply with conditions laid under the Definitive Agreement. The Petitioner undertakes to perform any of the pending obligations on their end provided the Respondent No.1, PK Group and his nominees are willing to perform their obligations under the Definitive Agreement.
- 7.5. Considering Respondent No.1's past history and his criminal records, it is highly likely that if left unimpeded he may sell of any and many of the assets belonging to the PK Group, and thereby frustrate the subject matter of Arbitration.
- 7.6. The Petitioner submits that the balance of convenience is in its favour. The Petitioner further submits that irreparable harm and injury will be caused to the Petitioner if the reliefs claimed herein

24

287

are not granted. The Petitioner is keen to initiate arbitral proceedings against the Respondent. It is in the interests of justice that interim measures of protection as prayed herein be granted failing which, any Award that may be passed in favour of Petitioner would not be enforceable.

7.7. The Petitioner has not filed any other petition and/or application either in this Hon'ble Court and/or any other Hon'ble Court in India for the same or similar reliefs as prayed herein.

7.8. The Petitioner submits that no delay has been caused in filing the present petition and the present petition has been filed expeditiously by the Petitioner as is evident from what is stated hereinabove.

7.9. Since this Petition is filed in urgency, the Petitioner craves leave to add, alter, amend, delete, and/or substitute any of the aforesaid paragraphs, if necessary.

7.10. The Petitioner submits that in the aforesaid circumstances, the Petitioner is entitled to the reliefs as prayed for under Section 9 of The Arbitration and Conciliation Act, 1996 ("Act") to secure the subject matter of Arbitration. The Petitioner has made out a strong prima facie case on the merits of the case. The aforesaid facts further establish that the Petitioner would not be able to realize the fruits of any award, which may be passed in its favour in the course of executing the award. This would result in grave injustice to the Petitioner in as much as in the absence of such an order, the Petitioner who is very likely to succeed in the arbitration proceeding may not be able to execute the award. The Petitioner states that in the interest of justice, an order in terms of the below mentioned reliefs be passed as the Petitioner has established sufficient cause for the same.

Under clause No. 12 of the Definitive Agreement, the Parties

have agreed for the exclusive jurisdiction of the Courts in Mumbai. The place/venue of Arbitration is Mumbai. Without prejudice to above facts, in any event, the Respondent No. 1 resides in Mumbai and the Respondent No. 31 has its registered office address in Mumbai. Furthermore, the corporate office of the Petitioner is situated in Mumbai. Certain immovable and movable properties of the Respondent No. 5 are in Mumbai. Moreover, the entire negotiations in relation to the Definitive Agreement have transpired in Mumbai. The material part of the cause of action has arrived in Mumbai. Therefore, this Hon'ble Court has jurisdiction to entertain the present Petition.

7.12. The Petitioner has affixed a Fixed Court Fee Stamp of Rs 200 on this Arbitration Petition.

7.13. The Petition has been signed and verified by the Petitioners who are aware of the facts of the case and are able to and authorized to depose to the same.

7.14. The Petitioner has approached this Hon'ble Court as expeditiously as possible and there is no delay or laches in filing the present Petition.

7.15. In view of the aforesaid premises the Petitioner therefore, prays:

- (a) That pending the hearing and final disposal of the arbitration proceedings this Hon'ble Court may be pleased to direct the Respondent No.1 and the PK Group (being Respondent No.2 to Respondent No.36) and all its employees and nominees to not dispose off or alienate or encumber or create any third party rights of any of their assets, movable and immovable properties (including immovable properties as set out Exhibit F and Exhibit G herein) and investments of the Respondent No. 1 and PK Group (being Respondent No.2 to Respondent No.36).

26

205

- (b) That pending the hearing and final disposal of the arbitration proceedings, this Hon'ble Court may be pleased to direct the Respondent No. 1 and PK Group (being Respondent No.2 to Respondent No.36) to declare on oath all assets, properties (immovable and immovable), investments, licenses, bank balances in the bank accounts, receivables, cash surplus, monies in free reserves and outstanding debts of the Respondent No. 1 and PK Group (being Respondent No.2 to Respondent No.36).
- (c) That pending the hearing and final disposal of the arbitration proceedings, this Hon'ble Court may be pleased to restrain the Respondent No.1 and PK Group along with his/its nominees issue any kind of securities/interest (convertible or non convertible) or altering any shareholding pattern/partnership interest (in any manner whatsoever) of any of PK Group and/or the subsidiaries/affiliates of entities within PK Group (being Respondent No.2 to Respondent No.36).
- (d) That pending the hearing and final disposal of the arbitration proceedings, this Hon'ble Court may be pleased to direct the Respondent No.43 to Respondent No.45 to not dispose or alienate or encumber or create any third party rights on any of the properties that have been transferred by the Respondent no.5.
- (e) That pending the hearing and final disposal of the arbitration proceedings, this Hon'ble Court may be pleased to direct the Respondent No.46 and other transferee entities to not dispose or alienate or encumber or create any third party rights on any of the properties that have been transferred by Castle Infraestates Private Limited (Respondent No.8 herein), Stone Water Properties Private Limited (Respondent No.26 herein) and Inspire

27

284

Infraestates Private Limited (Respondent No.9 herein).

- (f) That pending the hearing and final disposal of the arbitration proceedings this Hon'ble Court, the Respondent No.1 and PK Group (being Respondent No.2 to Respondent No.36) be restrained from using any of their assets, including, restrained from utilising the bank account and all funds lying at the disposal of the PK Group;
- (g) That pending the hearing and final disposal of the arbitration proceedings this Hon'ble Court may be pleased to appoint a Court Receiver attached to this Hon'ble Court as Court Receiver of all the companies within PK Group, in respect of all their assets.
- (h) For ad-interim reliefs in terms of prayer clause (a),(b), (c), (d) and (e);
- (i) For cost of this application;
- (j) For any other and further reliefs as the nature and circumstances of the case be provided for.

Dear Sir,

Subject: Reply to your letter dated July 30, 2014 addressed to PACL Limited and others

We are concerned for our client, PACL Limited, a company registered under the Companies Act, 1956, and having its registered office at 22, 3rd Floor, Amber Road, Sansar Chand Road, Jaipur, Rajasthan ("our Client"). Our Client has placed in our hands your letter dated July 30, 2014 (the "Letter"), with instructions to reply to the same as follows:

1. At the outset, we state that it is apparent from the Letter that your client, Mr. Prateek Kumar has concealed, suppressed and misinformed you about his action and conduct in relation to the Definitive Agreement for Settlement dated October 2, 2013 (the "Definitive Agreement") read with the Supplemental Agreement to Definitive Agreement dated November 30, 2013 (the "Supplemental Agreement").
2. At the further outset, we deny the contents of the Letter in entirety and none of the contents shall be deemed to be admitted, unless specifically admitted herein.
3. Following is para-wise reply to the Letter:
 - 3.1 With reference to paragraph No.1, our Client state that:
 - 3.1.1 the Definitive Agreement as well as the Supplemental Agreement were executed between our Client, PACL Group (as defined under the Definitive Agreement), Mr. Prateek Kumar (your client) and the PK Group (as defined under the Definitive Agreement).
 - 3.1.2 The Addressees No. 2 to 5 (being, Mr. Gurmeet Singh, Mr. Subrato Bhattacharya, Mr. Sukhdev Singh Gill and Mr. Tarlochan Singh), as set out in the Letter, had merely signed the Definitive Agreement as well as the Supplemental Agreement in their capacity as mere authorised signatories of our Client and thus they do not have any personal obligations or rights under the Definitive Agreement as well as the Supplemental Agreement in their personal capacity. Hence, you or your client should not address any future correspondences to any of them in their individual capacity.

3.2 With reference to paragraph No.2:

3.2.1 we deny that your client has duly fulfilled his obligations under the Definitive Agreement as well as the Supplemental Agreement. We further deny that our Client has failed to fulfill part of its obligations provided under the Definitive Agreement as well as the Supplemental Agreement. Our Client states that subsequent to the execution of the Definitive Agreement and the Supplemental Agreement, your client as well as the PK Group have not complied with their respective part of the obligations as set out under the aforesaid agreements. Furthermore, the Monitoring Committee (*as defined under the Definitive Agreement*) was to be jointly constituted by both the PACL Group and the PK Group, thus non-appointment of the Monitoring Committee cannot be solely blamed on our Client and/or on the PACL Group.

3.2.2 On the contrary, your Client has committed various defaults under the Definitive Agreement as well as the Supplemental Agreement including, but not limited to, the following :

3.2.2.1 Your client has failed to withdraw of all cases filed by your client and PK Group against PACL and/or the PACL Group;

3.2.2.2 Your client and the PK Group have failed in incorporating joint signatures of representatives of PACL Group in respect of bank accounts of Synergyone Infrastructure & Projects Private Limited ("*Synergyone*"), which was not only agreed between the Parties in the Definitive Agreement but also adopted in the meeting of board of directors of Synergyone held on October 2, 2013;

3.2.2.3 Your client and the PK Group are still holding various properties which were agreed to be transferred under the joint management as per the Definitive Agreement; and

3.2.2.4 The Directors appointed by one of the entities of the PACL Group (*i.e. Bahar Paper Private Limited*) on the board of directors of Synergyone (*which is one of the entities of the PK Group*), pursuant to the Definitive Agreement, have been attempted to be wrongfully removed from its board of directors by your client and the PK Group.

For sake of brevity, the aforesaid defaults of your client and PK Group are inclusive and not exhaustive in nature. Our Client reserves its rights to take appropriate proceedings against your client and/or the PK Group on aforesaid defaults and/or any other default under the Definitive Agreement and the Supplemental Agreement.

3.3 With reference to paragraph No. 3, we deny that there has been breach of any of terms pertaining to the payment of monies by our Client, or any other clause under the Definitive Agreement as well as the Supplemental Agreement. We further deny that our Client has failed to comply with Clauses 4.1 and 4.2 of the Definitive Agreement since

251

RSP

the obligation to withdraw all the cases, filed against each of the parties i.e. the PACL Group and the PK Group respectively, was on both the PACL Group as well as the PK Group and thus our Client cannot be solely held responsible in this respect.

- 3.4 With reference to the last paragraph (*un-numbered*), we state that the appointment of Mr. Ratan Lath as the Arbitrator is not acceptable to our Client. We suggest appointment of Mr. Justice (Retd.) Dilip G. Karnik as the sole Arbitrator in terms of Clause 11 of the Definitive Agreement read with Clause 3 of the Supplemental Agreement.
4. Further, we, on instruction of our Client, through you, hereby convey your client to desist and refrain from taking any action or execute any document or enter into any kind of arrangement (*either oral or in writing*) relating to disposition of the properties of Synergyone as set out under Schedule 5 of the Definitive Agreement in favour of your client or to any third party, in any manner whatsoever including, but not limited to, by way of sale, exchange, mortgage, charge, pledge, lien, option, restriction, right of pre-emption, third party right or interest, other encumbrance or security interest of any kind, without payment of the adequate and sufficient consideration to Synergyone and on such terms and conditions as will be agreed by our Client in writing. Any disposition of any aforesaid properties by your client will not be binding on our Client and Synergyone. For that purpose, our Client reserves the right to take appropriate legal proceedings against your client including but not limited to giving public notices with respect to the aforesaid properties with a view to reiterate the claim of Synergyone and our Client in respect of such properties.
5. In addition to above, we, on behalf of our Client, hereby instruct your client to continue to oblige the terms and conditions as set out in the Definitive Agreement and the Supplemental Agreement including, but not limited to, covenants as set out in Clause 6.1 of the Definitive Agreement.
6. Our Client reserves its rights to deal with contents of the Letter as well as other defaults in detail and put forth its application, petition, claims, counter statements and/or counter claims before the duly appointed Arbitrator under law, contract including, the Definitive Agreement read with the Supplemental Agreement and/or under equity.
7. Needless to mention, the aforesaid exercise of our Client's rights, options and/or remedies are not exhaustive in nature. This Notice shall have no effect on, and does not waive, limit or relinquish, any of the rights and/or remedies available with our Client (*including but not limited to our Client's rights and/or remedies against your breach of representation, warranties and covenants*) under the Definitive Agreement, the Supplemental Agreement and/ or other remedies available to our Client in law or equity. Our Client's failure and/ or neglect to exercise any such right or remedy available to our Client shall not be taken to be a waiver of any and/ or all such rights or remedies.

8. Unless otherwise defined, herein, all capitalized terms which have been used in this Notice shall have the same meaning ascribed to them in the Definitive Agreement as well as the Supplemental Agreement.
